

FOR IMMEDIATE RELEASE

Grantium Awarded Tier 1 Government of Canada SBIPS Supply Arrangement

Ottawa, Ontario – December 9, 2009 – Grantium, the leader in enterprise grants management (EGM) software solutions, today announced that it has been chosen as a business solutions supplier and awarded a Tier 1 Supply Arrangement with the new Solutions Based Informatics Professional Services (SBIPS) with the Government of Canada.

The Solutions Based Informatics Professional Services (SBIPS) is a new Government of Canada procurement vehicle used to support Informatics Services requirements for Canadian Government departments or agencies. Under Tier 1 Supply Arrangement requirement, Grantium is eligible to bid on contracts valued up to \$2 million.

About Grantium

Founded in 1998, Grantium Inc. is a leading provider of Enterprise Grants Management (EGM) **software systems**. Grantium's EGM software solutions enable federal, state/provincial, and municipal agencies as well as not for profit organizations to respond to increasing demands for grant program management, accountability, transparency and performance outcomes while reducing program costs through operational efficiencies. With clients in the United States, Canada and Australia, Grantium has established itself as a world leader in Enterprise Grants Management software solutions.
